Accredited with Grade B by NAAC

From the Principal's Desk

Founded in the eventful year of 1962 thanks to the untiring efforts of a host of educationists and selfless public activists, with a lofty mission of heralding higher education in geographically isolated and economically backward Majuli, Majuli College now stands atop a priceless heritage of more than fifty years of continuous knowledge hunting and dissemination leaving behind a trail of ups and downs in the long span. The oldest institution of higher education in Majuli, the college is doubtless the first choice

for innumerable higher education aspirants in the only island district of the state. The college now stands only a few steps away from enjoying a rare distinction of being the only full-fledged PG College in Majuli. Located on a fortified campus surrounded by a few Vaishnavite monasteries called *sattras* and lush-green paddy fields on all its sides, the college has made giant strides in infrastructure development in recent years commensurate with the expanding parameters of quality education. In addition to providing state-of-the art digitized classroom and library facilities to the students, the college periodically organizes career counselling sessions, symposia and popular motivational talks, and has started quite a few job-oriented multi-utility diploma and certificate courses which are designed to help students build a productive career ahead in this age of cut-throat competition. Xerox and internet facilities have been made easily accessible to them. Besides, the college facilitates education through Distance Learning mode under Krishna Kanta Handiqui State Open University (KKHSOU) and Dibrugarh University both at UG and PG levels. The college will offer education to the degree students through CBCS (Choice Based Credit System), globally acclaimed mode of education at present, which is being introduced by Dibrugarh University from this session. Yet the college has numerous hurdles to grapple with in realizing its vision of securing a place alongside all major institutions of the state and country. With an energetic teaching faculty ever-sensitive to the fast-changing dynamics of education, we are convinced that it will overcome the challenges and succeed in leaving its indelible imprints on the sands of time.

Accreditation by NAAC: The College went through the second cycle of its assessment by NAAC (National Assessment and Accreditation Council) in 2018, and thanks to the untiring efforts of all its stakeholders, it was accredited with Grade B.

Dr. Debajit Saikia
Principal

The Vision of the College:

The vision of the college is to develop it into a centre of excellence at par with the best of the state and country by constantly promoting and stimulating intellectual and professional leadership among its stakeholders and creating a healthy research ambience commensurate with the demands of time through pursuit of quality research studies, introduction of cost-effective, value-based and career-oriented multi-disciplinary courses/programmes, use of learner-specific ICT devices and thus produce ideal citizens of the nation with an ability to lead every sphere of rational human activity and make holistic contributions to National Development.

The Mission of the College:

- To make higher education available, accessible and affordable to the socially and economically underprivileged sections of the society by making them part of the global knowledge society.
- To create ideal human resources infusing them with a sense of high regard for and commitment to the rich heritage of the nation.
- To inculcate in them a rich democratic spirit, innovative thinking, creativity, self-evaluation and a sense of gender-sensitive coordination and cooperation thereby helping them develop healthy leadership qualities to guide the society in different spheres.
- To prepare them in every possible way to cope with the challenges of the highly competitive educational scenario and employment market.
- To work for the conservation and promotion of the rich cultural heritage of the region.
- To associate itself with the national ambition of being a knowledge superpower.

MAJULI COLLEGE: A PEDAGOGIC PARADISE

Established on September 17, 1962 at Kamalabari, with a sacred mission of illuminating the river-island with the beacon of education, Majuli College is the premier institution of higher education, the oldest of its kind in Majuli, the only island district of Assam. What necessitated the college to be founded was the geographical isolation and educational backwardness of the most populous river-island of the world. Connecting it with the mainstream of the country was a challenge in the early sixties. A host of conscious educationists and public activists realized that it could be done only through the pursuit of higher learning. A public meeting was held at Majuli Milan Sangha, Kamalabari in the month of March, 1962 with the sole objective of having a discussion on founding a college to impart higher education to the Majulians. The meeting constituted a steering committee consisting of members from all communities to go ahead with the task. Late Keshabram Borah was made President and Late Krishna Kanta Goswami Secretary of the steering committee. It was a time when devastating floods were posing tremendous threat to their historic endeavour, but, these two illustrious sons of Majuli along with a few devoted persons toured every nook and corner on foot and mobilized public opinion, collected donations for the proposed college. Thus, the dream of opening a college was fulfilled. It is worth remembering that another ideal son of Majuli Atul Chandra Goswami, who was serving as a lecturer in History at North Lakhimpur College then, was kind enough to agree to serve the newly established college as its honorary Principal. He continued his service in this capacity till 1995. In the long span the college has left no stone unturned to emulate a high standard of pedagogic excellence by being sensitive to the ever expanding parameters of quality education. The stupendous success of our Silver Jubilee Celebrations in 1988 and Golden Jubilee Celebrations in 2013 speaks of the glorious tradition of this institution. Products of Majuli College are serving in government offices, schools, colleges and universities and different private establishments with dedication, sincerity and innovative thinking inherited from this institution.

Affiliated to Dibrugarh University, Majuli College has been imparting education at the Under Graduate level in both Arts and Science streams. While the Arts stream has been functioning since inception, the Science stream was started in the year 1978 and it came under Deficit Grants in Aid system in 1986. Presently, the college has 10 (ten) departments in Arts stream and 5 (five) departments in Science stream. Offering both Higher Secondary and Degree courses to about 1000 students per year, Majuli College is the only college in the island which has both Arts and Science streams. The college offers P.G. courses in Distance Learning Mode under Dibrugarh University and U.G. and P.G. courses in various subjects under Krishna Kanta Handiqui State Open University. Other than these, the college offers vocational courses for the benefit of the students in Tourism, Journalism, Computer Applications, Mask Making, and Sattriya Dance and Music at its own discretion. With support and co-operation of a host of dynamic and forward-looking professionals the college vows to leave its indelible imprints on the sands of time.

Location of the College:

Majuli College is located at Kamalabari, the cultural and business hub of Majuli, the newly declared district in the upper part of the Brahmaputra Valley of Assam. The College is surrounded by three historic *sattras* (Vaishnavite monasteries) -- Uttar Kamalabari, Natun Kamalabari and Bengenaati and also by a vast paddy field at its back and a beautiful stream to its east. Such uncanny surroundings lend a spiritual and serene ambience to the college.

Grading System::

The absolute grading system shall be applied in evaluating performance of the students.

The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter Grade with meaning		Grade Point*
O	Outstanding	10 (Marks securing above 90% and above)
A+	Excellent	9 (Marks securing 80%-90%)
A	Very Good	8(Marks securing 70% -80%)
B+	Good	7(Marks securing 60% -70%)
B	Above Average	6(Marks securing 50% -60%)
C	Average	5(Marks securing 40% -50%)
P	Pass	5 (Marks securing 30% -40%)
F	Fail	0
Abs	(Absent)	0

- Exclusive Class Interval technique shall be followed in calculation of Grade Point.

Computation of SGPA and CGPA: The procedure to compute the SGPA and CGPA are given below

- (i) The SGPA is the ratio of the sum of the products of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits off all the courses undergone by a student.

$$SGPA (S_i) = \sum C_i G_i / \sum C_i$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit X Grade)
I	Major (Core)	4	A	8	4X8=32

I	Minor	4	B+	7	4X7=28
I	GEC 1	3	B	6	3X6=18
I	AEC (Language)	4	A+	9	4X9=36
I	Value Added Course I	2	A	8	2X8=16
I	Value Added Course II	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
		SGPA			167/22= 7.59

- (ii) The CGPA is also calculated in the same manner taking in to account all the courses undergone by a student over all the semesters of a programme.

$$CGPA (Si) = \sum CiSi / \sum Ci$$

Semester I	Semester II	Semester III	Semester IV	Semester V	Semester VI
Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22	Credit: 22
SGPA: 7.59	SGPA: 8.00	SGPA: 7.6	SGPA: 7.59	SGPA: 8.00	SGPA: 7.00
CGPA= (22 X 7.59+ 22 X 8.00+22 X 7.6+22 X 7.59+22 X 8.00+22 X 7.00)/132= 7.63					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

- (iii) **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10.
Percentage of marks = (CGPA X 10)
- (iv) The Letter grade 'B+' and above shall be considered as First Class and Letter grade 'B' shall be considered as Second Class.
- (v) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or 'Abs' (Absent/Incomplete).
- (vi) If a candidate secures 'F' grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- (vii) If a student secures 'F' grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.
- (viii) 'Abs' grade shall be awarded to a candidate if he/she has not fulfilled the following requirements:
- If a candidate fails to appear in any Course(s) in an end semester examination.
 - If a candidate fails to submit the project work/dissertation / assignment of an end semester examination.
 - If a candidate is certified as not eligible to appear in any course(s) in an end semester examination by the Course Teacher(s) due to insufficient attendance in lectures, tutorials practical or fieldworks.
- (ix) The candidates not appearing in a Semester Examination shall be considered as an 'Abs' candidate and that will be reflected in the Grade Sheet of the candidate. These candidates shall have to convert the 'Abs' grade by appearing in the next examination on the Course (provided he/ she has legitimate chance to appear the Course) concerned or by submitting project work/dissertation/ assignment etc.

*On exit, students may be awarded UG Certificate/UG Diploma (in the Field of Study/Discipline) after securing the requisite 44 or 88 Credits on completion of Semester II/IV provided they secure additional 4 credit in skill based vocational courses or internship / Apprenticeship in addition to the Credits earned from Skill Enhancement Courses (SEC).

Academic Schedule: The Academic Schedule of the UG Certificate, UG Diploma, Three Year UG Degree, Four Year UG Degree (Honours) and Four Year UG Degree (Honours with Research) Programmes shall be administered as per the Academic Calendar of the University published for every academic session.

Admission Notice and Criteria:

Newspaper Notice/Notification through University/College/Institutes websites inviting applications for admission into the different programmes shall be issued by the Registrar of the University/Principals of the colleges/institutes as per the Academic Calendar of the University. The minimum eligibility for admission into the UG programmes shall be as below:

Minimum eligibility criteria for admission in Four Year Undergraduate programmes: Senior Secondary School Leaving Certificate or Higher Secondary (Class 12) Certificate obtained after successful completion of Grade 12 or equivalent stage of education and/or Admission test conducted by College/University/National Level Testing Agency/State Level Testing Agency.

Minimum eligibility criteria for multiple entry points of the UG programmes

1st Year: Senior Secondary School Leaving Certificate or Higher Secondary (Class 12) Certificate obtained after successful completion of Grade 12 or equivalent stage of education and/or Admission test conducted by College/University/National Level Testing Agency/State Level Testing Agency.

2nd Year: A certificate obtained after successful completion of 1 year (2 semesters) of the undergraduate programme. These students are to take admission in the 2nd year within a period of three years from

obtaining the UG certificate from Dibrugarh University or any other University/institution recognized by Dibrugarh University.

3rd Year: A diploma obtained after successful completion of 2 years (4 semesters) of the undergraduate programme. These students are to take admission in the 3rd year UG programme within a period of three years from obtaining the UG diploma from Dibrugarh University or any other University/institution recognized by Dibrugarh University.

4th Year (Honours): A Bachelor's degree after successful completion of three years(6 semesters) of the Undergraduate programme obtained from Dibrugarh University or any other University/institution recognized by Dibrugarh University. These students are to complete the degree within the stipulated maximum period of seven years.

4th Year (Honours with Research): A three year Bachelor Degree with a minimum of 7.5 CGPA. The minimum entry requirement for 4th year (Honours/Research) UG programme within a period of three years from obtaining 3 year Bachelor Degree from Dibrugarh University or any other University/institution recognized by Dibrugarh University. These students are to complete the degree within the stipulated maximum period of seven years.

The admission or eligibility criteria shall be fixed by the Academic Council from time to time whenever necessary. The University/ colleges/ institutes may also adopt own policy for admission or selection of eligible candidates for admission complying with the eligibility criteria as prescribed. Statutory reservation policy of the government shall be followed in case of selection of eligible candidates for admission.

Course Structure:

The Course Structure of the Undergraduate Academic Programmes shall be as per the CourseStructure given in **Annexure I**. The nature of the Courses for all Under Graduate Academic programmes shall be as below:

Sl. No	Category of the course	Course	Description
1	Major Discipline: Major discipline provides the opportunity for a student to pursue in-depth study of a particular subject or discipline	Major discipline (Core)	Major discipline is the discipline or subject of Main Focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses of the major discipline.
2	Minor discipline: Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline	Minor discipline	Minor discipline helps a student to gain a broader understanding beyond the major discipline.

3	<p>Multi- Disciplinary Generic Elective: All UG students are required to undergo 3 introductory level courses relating to any of the broad disciplines. These courses are intended to broaden the intellectual experiences and form part of liberal arts and science education.</p> <p><i>However, students shall not be allowed to choose or repeat any of these courses already undergone at the Higher Secondary level (12th class) and the discipline which he/she has chosen as Major.</i></p>	Multi-Disciplinary Generic Elective-Natural Sciences	Introductory courses on Natural Sciences to be chosen from a basket of courses that would include for example, Astronomy and Astrophysics, Biology, Biochemistry, Chemistry, Computer Science, Data Science, Earth and Atmospheric Sciences, Physics, Statistics, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Social Sciences	Introductory Courses on Social Sciences to be chosen from a basket of courses that would include for example, Economics, Education, History, Linguistics, Political Science, Psychology, Sociology, Social Work, Communication and Media, etc. Each Department/Centre of Studies shall offer GEC
		Multi-Disciplinary Generic Elective-Humanities	Introductory Courses on Humanities to be chosen from a basket of courses that would include for example, Archaeology, Arts and Creative expressions, Comparative Literature, Creative writing and Literature, Philosophy, etc. Each Department/Centre of Studies shall offer GEC
4	<p>Ability Enhancement Courses: These courses aim to enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills.</p>	Language (MIL/Regional Language)	Students are required to achieve competency in the use of a MIL or Regional Language. All language disciplines except English shall offer Language Courses
		Language and Communication Skills (English)	Students are required to achieve competency in the use of English language with special emphasis on language and Communication Skills. Department of English shall offer this course

		Mathematical and Computational Thinking and Analysis	Courses relating to Mathematical and Computational Thinking and Analysis would focus primarily on the mathematical and statistical tools used to support the study of natural and social sciences, including subject areas such as astronomy, biology, chemistry, economics, the environment, geological sciences, physics, and sociology etc. These courses would focus on the methodology used to analyze quantitative information to make decisions, judgments, and predictions, including defining a problem by means of numerical or geometrical representations of real-world phenomena, determining how to solve it, deducing inferences, formulating alternatives, and predicting cause and effect relationships. The goal is to ensure that students achieve a level of proficiency in using and analyzing quantitative information.
5	Value Added Course 2: The courses aim to enable the students to acquire and demonstrate certain values	Health and Wellness	The Course components relating to Health and Wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual and environmental wellbeing of a person.
		Yoga	Yoga, Sports and Fitness activities will be organized outside the regular institutional working hours.
		Environmental Education/Science	The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change and

			pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. There shall be more emphasis on community-based activities.
		Digital and Technological Solutions/Digital Fluency	Courses in cutting-edge areas that are fast gaining prominence such as Artificial Intelligence (AI), 3-D machining, big data analysis, and machine learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.
		Understanding India	The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, Indian education system and the roles and obligations of teachers to the nation in general and to the school/community/society, specifically.
6	Skill Enhancement courses: These courses are aimed at imparting practical skills, hands on training, soft skills etc. to enhance the employability of the students.		The institution may design courses as per the students' needs and available institutional resources subject to approval of the Dibrugarh University.

7	Community engagement (NSS/Adult Education/Student mentoring/NGO/Govt. institutions, etc.):	The curricular component of ‘community engagement and service’ seeks to expose students to the socio-economic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This component will include participation in activities related to National Service Scheme (NSS), National Cadet Corps (NCC), adult education/literacy initiatives and mentoring school students and other community works
8	Field based learning/project	The field-based learning/project will attempt to provide opportunities for students to understand the different socio-economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situation in rural and urban contexts, and to observe and study actual field situations regarding issues related to socio-economic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process.
9	Internship	: Students will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc. so that they may actively engage with the practical side of their learning and, as a by-product, further improve their employability.

10	Research Project	All students pursuing a Four-Year Bachelor's Degree with Honours with Research will be required to take up research oriented advanced courses, research methodology courses and a research project.
----	------------------	---

A Course may also take the form of a Dissertation/ Project work/ Practical training/ Fieldwork/Internship, etc. A student shall have to study the academic programme as per the scheme of the Programme. Even if a candidate earns the required number of credits before completion of the full duration of the programme, he/she shall not be entitled for the degree.

Course Enrolment

The minimum and maximum credits to be opted by a student for qualifying of a Undergraduate programme shall be as per the Course Structure given as **Annexure I**.

Change in Major: Students shall be allowed to change major within the broad discipline at the end of the second semester by giving him/her sufficient time to explore interdisciplinary courses during the first year. *The HEIs may create 10% additional seats over and above the sanctioned strength to accommodate the request for a change of major.*

The college has introduced the practice of student mentoring from the last academic session. A group of students across all programmes and courses are assigned to a teacher who will mentor and guide them towards solving any problem, academic, institutional, personal or psychological, which they grapple with during their period of study at the college.

34. STUDENT FEEDBACK:

The college has been pursuing a practice of collecting structured feedback from students and their parents/guardians for the last three years with a view to bringing about holistic improvement in the academic environment of the college. Feedback is collected from students at periodic intervals, analysed and action is taken thereupon. However, students registering a poor percentage of attendance are not considered eligible for rendering their feedback.

35. NEW SCHOOLS/ STUDY CENTRES/ P.G. PROGRAMMES

Majuli College stands on the verge of being upgraded to a full-fledged PG College. Necessary financial grants for constructing administrative building, classrooms etc for the purpose have been released and their construction is in progress. As such, the PG programme under regular mode is expected to start soon. The college has started the study centre/ contact centre of **KKHSOU** and **Dibrugarh University Distance Education** in the college premises. Various degree courses such as B.A., B.Sc., M.A. and so on, recognized by the University, are offered in the study centres. In D.U Distance Education Study Centre, B.A. and M.A. programmes in Mathematics, English, Assamese, Economics, Political Science, Sociology and Education are offered. The time of admission and other relevant information regarding the courses will be notified in due course in the newspapers, through the college website and on the notice board. **Interested candidate may contact Dr. Brojen Ch. Neog (Contact No. 9435808140), Coordinator of KKHSOU study centre and Dr. Profulla Borah (Contact No. 9864688721), Coordinator of Dibrugarh University Distance Education for course information.**

36. DIFFERENT CELLS/COMMITTEES

36.1 CAREER GUIDANCE CELL: The college runs a career Guidance Cell placed in the charge of competent teachers, which periodically organizes lectures and counseling sessions by experts related to various career options of the present competitive employability market. Students' queries are prioritized.

36.2 PLACEMENT CELL: The Placement Cell of the college works hand in hand with the Career Guidance Cell. The cell keeps track of the students' placements besides offering them the latest information regarding various placement opportunities. The students finding jobs midway through their study are required to submit their placement details to the cell before leaving the institution. It is obligatory for the other students also, if placed/employed handsomely on completion of their study, to submit detailed information over telephone or in person to the cell for the sake of maintaining a record of its alumni.

36.3 VIGILANCE AND GRIEVANCE REDRESSAL CELL: In order to ensure a decent academic environment in the college, the college has a Vigilance and Grievance Redressal Cell in place. This cell, placed in charge of teachers and also having sufficient student representation, keeps a vigil on the overall academic environment of the college and strives to redress all grievances of students related to teaching-learning and other issues. The student with any grievance/complaint has to address Principal in writing stating clearly the nature of his/her grievance and requesting redressal of the same at an early date. The application must be dropped at the Grievance Box hung in front of the Administrative Coordinator's chamber. The cell opens the box on daily basis and tries its best to redress the grievances involving all stakeholders as early as possible.

36.4 RESEARCH ADVISORY COMMITTEE: The college has a Research Advisory Committee consisting of members from both Teaching and Non-Teaching staff which looks after the research-related issues of the teachers and students. The committee strives for creation of a healthy research ambience in the college by constantly boosting the research aptitude of the teachers and students.

37. ADMISSION PROCEDURE

There is an Admission Committee, which interviews the candidates seeking admission and lays terms and conditions for the same. 40 (Forty) percent at Higher Secondary Examination is the cut off marks for admission into degree major courses, but, for other courses there is no such bar. A candidate having passed his/ her previous examination can apply for Higher Secondary/ Degree Course. There is no age limit as such. Admission will be in online mode. Details of admission may be seen in the college website www.majulicollege.in. However, original documents shall have to produce for verification when notified. Admission will be on merit basis and as per Govt. Reservation Rules. Those who are not able to submit application forms online due to lack of internet facility or some other reasons may avail assistance from the Help Desk in the B.Voc.(IT) Department of the college during working hours. Students from Boards or Universities other than SEBA, AHSEC or Dibrugarh University shall have to produce Migration Certificate at the time of admission. All admissions are provisional and subject to the approval of D.U. / AHSEC.

The admission procedure for all Under Graduate Courses normally starts in the month of June every year. The admission schedule is displayed through College Notice-Board & Website. Duly filled in application forms along with photocopies of admit cards, all marks sheets and pass certificate and caste certificate must be submitted within the stipulated time(s).

The lists of selected candidates are displayed on the College Notice-Board. Selected candidates have to appear personally before an interview board and to produce all testimonials in original at the time of interview.

Change of stream or subject after the admission is not allowed.

As per Dibrugarh University regulations the **candidates having a gap of more than 3(three) years after passing the Higher Secondary course shall not be permitted to take admission in the B.A/B.Sc. courses provided that a candidate pursuing some other courses of study shall be relaxed from the above mentioned conditions.**

38. INTERNAL QUALITY ASSURANCE CELL (IQAC)

The college has an Internal Quality Assurance Cell (IQAC) which was established in 2003.
